MAAC’s President/CEO, Arnulfo Manriquez, is committed to developing a cohesive management team that will not only further embrace the value of MAAC as a single entity, but a team that will continuously build upon its current strengths to bring greater excellence to MAAC. One of his key initiatives is to enable the organization to integrate all of its practices, programs and systems into a strong, comprehensive structure that will serve to support MAAC’s mission, goals and objectives. MAAC is a multi-purpose social service agency with a successful history of serving various communities throughout San Diego County. In 1965, MAAC opened its doors to serve San Diego’s disadvantaged and now has centers strategically located as far south as San Ysidro and as far north as Camp Pendleton. One million clients later, MAAC is still acting as a catalyst to help individuals and families become self-sufficient. Serving approximately 35,000 individuals per year, MAAC provides a spectrum of unique programs designed to assist clients by engaging them in the enhancement of their own lives through lifestyle changes.

MAAC’s programs strive to improve clients’ economic standing as well as their ability to access resources available to them. Included among the many programs and services now offered are Head Start/Early Head Start/State Preschool/QPI and other related early childhood development programs, two culturally specific recovery homes: Casa De Milagros and Nosotros, award-winning affordable housing complexes, community and workforce development programs, and a community charter school. MAAC’s commitment to environmental sustainability carries the non-profit into the future with its low-income home weatherization program. For more information, visit www.maacproject.org.
